Statistics and Standings

Players must go to the "NWOHIPOOL.com" website to look at the weekly standings sheet and player's handicaps each week. Any smart phone can look up handicaps and standings. Help each other out please. This will save the league weekly copying fees and that puts more money into the prize fund.

Weekly Cost

\$7.00 per player plus table quarters. Quarters will be split between the players for tables. \$.75 of the \$7.00 fee each week goes to NWOPOOL for the regional tournaments in Napoleon in early next year. \$.50 of the fee each week is split between the league secretary and the league Treasurer.

Roster

Each team can have up to an 8-player roster. Once the roster is full, you must get *one-half* of the captains' approval 24 hours in advance of the first match for the new player(s). No new players can be added during the last 4 weeks of the league. If a player leaves a team, he/she cannot play the rest of the season with any other team.

Handicaps

Max of 5 balls per player per game (25 total). All players will begin the year with no handicap. Players will establish their average at the end of the first night of play.

Chalky's Pool and Billiard Hall
1851 Tiffin Ave., Findlay, OH 45840

Match Format

15 game round-robin. Players must be lined up lowest to highest average. When adding a new player, the new player is placed in the third position. If adding two new players one will play in the 2nd position and the other in the 4th position. If adding three new players the new players will play in the 1st, 3rd and 5th positions.

Sanction Fees

\$15.00 per player for Valley plus \$2.00 for Indiana State and \$15.00 for BCA all due the first night of play. Subs must pay the first night they play. If sanction fees are not paid, that player will be deemed an illegal player and their games will not count. After Nov. 30, Valley sanction fees will be \$20.00 and after December 31st the Valley sanction fee will be \$25.00. Each player will now be sanctioned for Ohio and Indiana.

CompuSport Software Fee

\$2.00 per player due the first night of play. This is a 1-time fee that applies to all players in the league.

Scoresheet/Money Turn-In Box

At the end of each match, the captain from EACH team must take a picture of the scoresheet and text AND email it to the League Secretary, Jerry Tripp (419-420-3500 and findlaychalkys@gmail.com). The scoresheet and money need to then be placed in an envelope and dropped into the lock box located on the North Wall of Chalky's Pool Hall. No coins should be in your envelope. If the envelope is not turned in to the drop box on the evening of the match, one winning round point will be deducted from the team totals.

Playing a Player Short

If a team is short a player, the opposing captain can pick a player to "sub" for the missing player. Scoring will be calculated for the player that is "subbing" for the missing player. This rule eliminates forfeits and makes calculations much easier to accomplish.

Late Player Exception

As an attempt to allow players who work second shift and cannot get off work in time to play at 7:00 p.m. our league has opted to allow one player on each team to come as late as 10:00 p.m. and get their matches played. If the Late Player does not arrive by 10:00 p.m. another teammate must play the first of that Late Player's matches. If the Late Player does not arrive by the end of that first match another player must "sub" for the Late Player and that counts for game 2. If the Late Player does not arrive by the end of that second game, the third game must be played by a "sub." NO EXCEPTIONS TO THIS RULE!

Scoresheets

Only the white (home team) score sheet has to be turned in. When both Captains sign the scoresheet, they are asserting the sheet is complete and correct. Note: Please take time with the scoresheet to make sure the math is complete and correct. Take time to properly note any awards such as ERO's, 8 on the Break, Table Runs, etc. are included and correct. Remember to text a picture of the scoresheet and email it to:

Secretary, Jerry Tripp (419-420-3500 and findlaychalks@gmail.com).

Awards

30-0 Award is a \$30.00 prize for three perfect games. Any and all players who accomplish this feat will be awarded the \$30.00.

MVP Award is a \$30.00 prize for the player with the highest Win Percentage. A player must have played at least 75% of the total matches available for the season. We have scheduled a 30 match (90 games) season. Thus the winning player must have played at least 68 games played to qualify for the award.

Rules

All matches will be played according to VNEA rules.

Several common problem rules include, but are not limited to:

If a player scratches on the 8-ball and the 8-ball remains on the table, it is not a loss, but is a ball-in-hand foul

8-on-the-break is not a win or a loss. 8-on-the-break is the "breaker's choice" of spotting the 8-Ball and accepting the balls where they are or re-rack all the balls and break again.

If a player scratches and makes the 8-on-the-break, the opponent has the choice to spot the 8-ball and accepting the balls where they are or re-rack all the balls and breaking the balls him/herself.

If a player has a question about a rule during the game, he/she must ask the opposing player or captain with his/her captain present.

Protest Fee

\$10.00 (See rule book for procedures)
