Katie - President: Thanks to everyone for a perfect first week! We appreciate your taking time to pick up your table areas after league was over. We need to keep our space clean and neat and remember to tip the staff and let them know we appreciate them.

Matt - Treasurer: We have opened an account with First Federal Bank. I am the primary signer on the account for deposits. Brad Stough is the secondary signer on the account and his signature must be on any checks or withdrawals.

Findlay Chalky's Wednesday Valley League
Week One - Notes from the Officers
9/12/19

Reminder: When a new player plays for the first time this year, they owe \$41 for that week... \$15 for Valley sanction, \$15 for BCA sanction, \$2 for Compusport and \$2 for Indiana State tournament, plus the \$7 fee for the weekly match.

After all players have paid their sanction fees, we would expect each envelope to contain \$70. \$35 from Home Team and \$35 from Visiting Team. Both captains should sign the home team envelope and then the home team captain should get the envelope into the Valley Turn-in Box on the North Wall. No exceptions to this. I do not want to have envelopes handed to me. I want to play my match and not be distracted. Thanks for your cooperation.
