
VNEA Players / 40th Anniversary 2020 Vegas Championship Participants

The VNEA has been closely monitoring information and the day-to-day developments related to the *Corona-virus Disease (COVID-19)*. We wanted to get our Tournament Status to everyone as soon as possible, but with the daily changes around the nation and world, we wanted our notice to be as accurate as possible.

***The 40th Anniversary VNEA World Pool Championships
WILL be held at Bally's Hotel & Casino, May 20-30, 2020.***

This event is nearly 2 1/2 months away and the many actions currently being taken around the country(s) will help keep our players and citizens safe along with everyone's commitment to follow the CDC Health Guidelines.

Barring any mandates, decisions or actions declared by the U.S. or local governments or other official entities, the 2020 VNEA Championships will be conducted.

We know how important this event is to many of our VNEA League Players and how much they look forward to it each and every year, however, our players, staff, Charters, volunteers and vendors is our primary concern and we will continue to work with Bally's to ensure that we provide heightened sanitation measures for everyone.

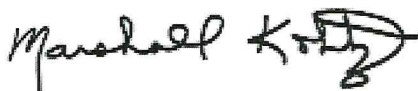

Lastly, this health issue is fluid and will continue to change rapidly. Experts seem to think that within the next 4-5 weeks the situation may change substantially. We will continue to closely monitor this virus to make ongoing assessments and communicate any developments. As we get closer, we will keep you informed of any travel suggestions, Bally's sanitation improvements and health recommendations.

Stay healthy, be vigilant and thank you for your support of the VNEA.

Sincerely,

R. Gregg Elliott
